Chinook Winds Casino Resort Closes through August 25, 2021 for Safety of Guests and Team Members

LINCOLN CITY, Ore. – In the interest of public health and safety, in the face of COVID-19 and the Delta variant, the Siletz Tribal Council and the Chinook Winds Senior Executive team announces the closure of Chinook Winds Casino, Hotel and Golf course operations effective 6pm Thursday, August 12, 2021, with a goal of reopening August 26, 2021. “Despite the progress we have made to vaccinate our team, their families, and the community, increases in cases in the county and state have led us to make the difficult decision to close our operations until August 26, 2021. We will pay our team members through this two-week closure. We look forward to welcoming our guests and team members back as soon as it’s safe to do so”, said General Manager Michael S. Fisher. We will continue to monitor developments and the advice of local, national and world health organizations.
